Portfolio: https://rashedmojammel.github.io/MyPortfolio/

PROFESSIONAL SUMMARY

Computer Science graduate with a strong foundation in software development and problem solving. Experienced with C++, Java, Python, C#, and web technologies (HTML, CSS, JavaScript, PHP). Passionate about building practical software solutions and eager to grow as a software engineer within a collaborative team environment.

EDUCATION

B.Sc in Computer Science & Engineering — American International University-Bangladesh — 2023 – Present
- CGPA: 3.71 / 4.00

Higher Secondary Certificate (H.S.C) — Hathazari Govt. College — 2019 – 2021
- GPA: 4.75 / 5.00

Secondary School Certificate (S.S.C) — Wadudia High School — 2017 – 2019
- GPA: 5.00 / 5.00

TECHNICAL SKILLS

Frontend Development:
HTML5 • JavaScript • React.js • Tailwind CSS • DaisyUI

Backend Development:
Node.js • PHP • C# • Java • C++

Database:
MySQL • MongoDB • Firebase

Tools & Frameworks:
Git • GitHub • Visual Studio Code • .NET • Express.js

SOFT SKILLS

Team Collaboration • Time Management • Adaptability • Communication Skills • Problem Solving

PROJECTS

Payoo — Payment / Finance Web App 2026
- Built a modern payment interface using HTML, CSS, Tailwind CSS, and JavaScript.
- Focused on clean UI/UX design and responsive layout.

Hostel Management System — Full-Stack Web Application 2025
- Developed a complete hostel management solution using PHP and MySQL with Tailwind CSS.
- Implemented CRUD operations, room allocation, and student management modules.

English Vocabulary Learning App — Web App 2025
- Created an interactive vocabulary learning tool leveraging the Web Speech API for pronunciation.
- Built with vanilla HTML, CSS, and JavaScript for a lightweight, fast experience.

GitHub Issue Tracker — Web Application 2023
- Integrated the GitHub API to track and display repository issues dynamically.
- Styled with Tailwind CSS and DaisyUI for a polished, responsive interface.

Inventory Management System — Desktop Application 2023
- Built a C# desktop application with MySQL backend for managing stock and inventory records.
- Implemented full CRUD functionality and reporting features.

CERTIFICATIONS & COURSES

Complete Web Development Course — Programming Hero 2026 (Ongoing)
- Full-stack web development curriculum covering modern JavaScript frameworks and backend technologies.

Data Science & Machine Learning Course — Ostad 2026 (Ongoing)
- Hands-on training in data analysis, machine learning algorithms, and Python-based data science tools.

LANGUAGES

- **Bengali (**Native)
- **English** (Proficient)
- **Hindi (**Fluent)
